Dear Parent/Guardian,

The School-Based Wellness Centers offer the following health care services by appointment to all students regardless of health insurance or family income:

- Physical exams annual, sport, camp, and college entry
- Diagnosis and treatment of acute illness and injuries Walk-in appointments may be available
- Management of chronic health problems such as asthma, obesity and acne
- Prescription medication and routine laboratory tests such as strep throat, urine infections and sexually-transmitted infections
- Health screenings behavioral/mental and reproductive health
- Referrals for services not provided in the school-based wellness center

Your signed consent and completion of the attached packet is required for your student to be enrolled and receive services in the School-Based Wellness Center except for services covered under the Maryland Minor Consent Laws.
